EXPO USA-Andean Region Catalog Exhibit to take place in three cities of Bolivia

On Monday 23 and Tuesday 24 simultaneous exhibits of Expo USA-Andean Region Catalogs will take place in La Paz, Santa Cruz, and Cochabamba. The exhibit will present the latest innovations of 230 U.S. companies in the fields of industry, technology, and products. The catalogs will offer information on areas ranging from machinery and agricultural equipment to construction materials, energy generation, metallurgy and plastics. The U.S. companies are interested in contacting potential representatives, investors, and/or distributors for their products.

The exhibit, sponsored by the U.S. Embassy in Bolivia, will take place May 23 and 24 from 9:00 am to 6:00 pm at Radisson Hotel in La Paz, CAINCO's auditorium in Santa Cruz (at the corner of Saavedra and Las Americas avenues), and at the auditorium of the Commerce and Services Chamber in Cochabamba (0-336 Sucre St.).

Representatives from the companies and the U.S. Department of Commerce will be present in the events to exchange perspectives on the companies' interests and will offer the public a wide variety of information regarding products and services, as well as about potential commercial allies that can be found in the U.S.

This year, the exhibit emphasizes several areas that Andean countries are interested in.
